Our Founding Legacy

Bob Houck, Founder and wife, Jackie

Bob and Jackie Houck's love for the library was unrivaled. Bob's idea to create the Library Foundation was fueled by the desire to ensure that future generations were able to enjoy the benefits and services the Library District provided. After Jackie's passing and upon his death, Bob left the majority of his estate to the Library Foundation. The Library Legacy Society has been created to allow the Library Foundation to celebrate passionate and committed library lovers, like Bob and Jackie.

Leave Your
Legacy

St. Charles City-County Library
Foundation

Maximize your gift today. Leave a **legacy** for tomorrow.

The Library Legacy Society recognizes donors who have made a planned or deferred gift to the St. Charles City-County Library Foundation. These gifts demonstrate an abiding commitment to the Library's mission in our community.

It can also benefit you and your loved ones as it can reduce income, gift and estate taxes; secure a source of cash flow for the rest of your life; and/or reduce or eliminate capital gains taxes.

A planned or deferred gift is a present decision to make a future gift, evidenced by a legal contract. This can be done by including the Library Foundation as a beneficiary in your will, retirement asset, life insurance or by creating an endowment.

St. Charles City- County Library Foundation Mission

To enrich and empower lives by providing literacy and opportunities to grow by continually working together to engage the community through charitable giving.

36M

You and your loved ones can make an impact to last for generations to come that transcends the boundaries of time. Your contribution will help enhance the outstanding programs and services funded by the St. Charles City-County Library Foundation. Consider your impact today.

Your support allows the Library to:

- Expand outreach services to increase patron's access to a variety of Library services throughout the County.
- Improve digital and technology services to enhance ease of use for both customers and staff, and to raise the Library's profile as a technology leader in the community.
- Revitalize our existing spaces and plan for expansion to serve a growing population.
